### Objective

I am seeking an entry level position in the Criminal Justice or Emergency Medical field. I am a smart working self starter, with a good work ethic, and am a motivated and reliable team player. While I have a lot of experience with people, I have very little experience in the field that I have chosen, and am looking to change that.

- Criminal Justice Major
- Looking for a long-term employer
- Relational Experience
- BLS Healthcare Provider Certified
- IL and National Registry EMT-B
- Interested in well-being of others
- Diversified talents and interests
- Full-time student
